22) This is a case in which 20 Councillors presented a request to the President to convene a special general meeting to consider the resolution expressing want of confidence in the President The meeting was held on 28-9-1953 i e , on the 15th day after the presentation of the request The vote of no confidence motion was passed by a majority of 15 persons out of 29 councillors, which constitutes the strength of the Municipal Council On the day this motion was passed, only 16 Councillors were present As there is no 2/3rd majority another

meeting had to be called for within a period of not less than one month and not more than four months, from the date of the first resolution

23) On 19-10-1953, 16 councillors presented another petition requesting the Municipal President to call for another meeting on 31-10-1953 It is significant to note in this connection that the date of the meeting proposed to be convened was after 1 month from 28-9-53. (the date of the first resolution) The President should have called for a meeting on 31-10-1953 as requested in accordance with the provisions of section 27(2) of the City Municipalities Act, but he failed to convene the meeting Under the same provision, if the President fails to convene a meeting within 15 days "the Vice President" or (1/3 of the whole number of councillors) may call for such a meeting for a day not more than 30 days after the presentation of the request. The request was made on 19-10-53 The Vice-President or 1/3 of the whole number of councillors should have called for the meeting before 18-11-53 when the President ~~had~~ failed to convene the meeting before 3-11-53 ~~Because~~ the period prescribed in section 27(2) is over, the proceedings have automatically come to a close

24) If the Municipal Councillors want to pass a vote of no confidence at a special general meeting, again the proceedings have to be commenced afresh But it is not desirable for the Government to suggest any particular course of action in such matters, because the party affected by any instructions given by Govt, may complain that the Government has acted in a manner

CA 955/nil

Non Confidence vote against the President CMC, Davangere

prejudicial to them It is therefore better to leave the matter to them to take action according to law

25) As regards the duties of the Municipal Commissioner in this regard, I am of opinion that if the President fails to call for a special general meeting on request by the required number of councillors under section 27(2) of the Act, and the Vice-President or 1/3 of the whole number of Councillors call for a meeting on a day not more than 30 days from the date of the request, then the Comr has to provide all facilities for such a meeting to be convened and make available the Council Proceedings Book also for recording the proceedings of the meeting This has to be pointed out now to the Municipal Commissioner For orders

Dear Sir,

A petition was presented to me signed by 20 Municipal Councillors on 14th morning to call for a special meeting for passing of a no confidence motion against me

Subsequently two councillors Sriyuths Sivanna and Lakar withdrew their signatures stating that they would not be a party to the "no confidence motion" as the petition was in English and were misguided by interested persons stating it was only a petition for calling for a meeting and no mention was ever made to them of the "no confidence motion" contained therein

Subsequently the four mohamadan Councillors Via Sriyuths Yakoob Saheb, Albadri, Ghani, and Sattarkhan informed that they were also misinformed and that they would also not be a party to the "no confidence motion" and that no meeting need be called.

Sri Thimmanna who only knows to sign his name in Kanarese was also similarly misguided and he also stated that he would not be a party to the "no confidence motion"

Sri Sidlappa another candidate who knows to sign his name also similarly stated

No reason has been mentioned in the petition for calling for a "no confidence motion" and they have no valid reasons - either

I have been conducting the affairs of the Municipality in a very fair and just and stern manner conforming to the Municipal Rules and Regulations and have been trying to improve the finances of the Municipality and I am not allowing the Councillors to grant sites either at upset rates or rates lower than the rates fixed

Any subjects relating to grant of money to concerns and persons have not been allowed to be taken up on the ground that the present finances of the Municipality do not admit of such grants These subjects have been sponsored by Councillors who

Dr B I Gopala Rao, BS MBBS
PRESIDENT

have some interest in them and have promised them of such help

For instance the grant of Rs 200/- to an Educational Conf which took place about eight months ago in Chitaldrug was one o the subjects the Councillors pressed upon me to place it in the agenda, and I have received ten other such requests all amounti to Rs 1,000/- which the Municipality cannot grant under the sever financial stress of the Municipality

The other charges against me are that I did not show conce--ssion to the interested persons of the Municipal Councillors in execusing the offences done under the Municipal Act such as build--ing of houses un-authorisedly, or not putting up a trap door to latrines etc Such offences in previous regimes were let off even without any notice The total prosecutions launched from July 1st after I took charge are 79 (for 2½ months) compared to previous - once are 57 for three months full This shows that strict rules are strictly enforced on all offenders It is therefore seen that the Councillors wanted the old loose regime to continue and thus therefore is not sufficient cause for the "No confidence motion"

Since more than 8 or ten councillors have expressed to me their unwillingness to support the "no confidence motion",the - meeting therefore has not been called yet, awaiting your further instructions in the matter, as I find that there is no necessity to call for such a meeting

I have enclosed all local News papers conveying the Press opinion which shows that the Councillors have no good cause for this move The public opinion also is in my favour as the papers state

CONFIDENTIAL

Dear Sri Gopala Rao,

I am in receipt of your letter dated 23rd September 1953 together with the enclosures and am indeed sorry to know the developments A copy of the notice calling for a special meeting presented to you on the 14th instant has not been sent. But that really does not matter.

The issue that has been raised has to be examined and faced in accordance with the provisions of the City Municipalities Act. - According to Section 27 (2) of th Act the - President shall upon the written request of not less than 1/3 of the Councillors call for a special general meeting. So far as the - question of confidence or want of confidence in the President is concerned, it is regulated by the provisions of Section 23 (10) of the Act. From what you write, I see that a notice has been given and a request made for a special general meeting by 20 Municipal Councillors. It would not be correct not to call for a meeting, because some people have withdawn their signatures or they state they did not know what they were signing. According to your statement 8 persons have to all intents and purposes withdrawn th ir signatures But even then it leaves 12 persons who have made a request for a special general meeting. You will see from Section 27 (2) that such a meeting has to be called for if a written request is received from not less than 1/3 of the whole number of Councillors. This condition would appear to have been satisfied in the present instance.

I would therefore advise you to call for a special general meeting as provided in the Act, and to have the issue decided in accordance with Section 23 (10) of the Act. That,

in my opinion would be the correct and wisest step to take.

Yours sincerely,

CONFIDENTIAL

Dear Shri Narasimhaiengar,

Please refer to your letter No H C 109/53-54 dated 25th September 1953 I had the matter examined In the event of the resolution expressing want of confidence in the President being passed by a majority of not less than two-thirds of the whole number of Councillors at the Special General Meeting convened for the purpose, The President shall forthwith be deemed to have vacated, office in accordance with the provisions of Sub-Section 10 of Section 23 of the Act This is a mandatory provision and has to be followed So, if a motion is passed in the manner provided, the President cannot continue to discharge the duties of that office from that day onwards

The only question which would arise for consideration would be as to who has to take the place of the President. In view of the fact that there is a duly elected Vice-President for Davangere City Municipality, Government have been advised that it would be proper for the Vice President to assume the duties of the President in accordance with the provisions of Sub Section 13 of Section 23 of the Act, in the event of a motion of no confidence being passed It would, however, be necessary to take early steps for the election of the President in accordance with the provisions of the Act

I am to request you to keep Government informed of the proceedings of the meeting and the action, if any, taken thereafter

Yours sincerely,

To

The Secretary
Local-Self Government
Government of Mysore
BANGALORE.

Sir,

I desire to bring to your kind notice the following facts and request you to take further action in the matter

On 28/9/1953 a resolution expressing want of confidence in the President Sri.B I.Gopalarao was passed by a simple majority of the Council. The resolution passed ran thus that as this Council has no confidence in the President, Sri.B.I.Gopalarao he is deemed to have vocated his office forthwith

On the same day a requisition signed by 16 Members was served upon the President to call a Special General Meeting of the Council to consider the same motion for the second time within the statutory period

It was learnt later that the President would not call the meeting after exactly 30 days but would wait untill 4 months lapsed

Hence another request signed by 16 Members dated 26/10/1953 was served upon the President to call a Special General Meeting, to consider the motion passed on 28/9/1953. on 31/10/1953 A copy of it was sent to the Government for information The President declined to do so in his letter No.HC 100 /53-54, of 8th Nov 53 a copy of which is herewith enclosed.

I therefore took action to call for a Special General Meeting on 23/11/1953 under section 27 (2) of the City Municipalities Act 1933. I wrote to the Commissioner

Commissioner on 18/11/1953 to cause a notice of the Meeting sent to him by me as Vice-President, to be served upon Members. He is the administrative head and had to comply with my request in this behalf. The President obviously was hostile to this and the Commissioner sought instruction from the President. The result was I was not provided with the Municipal Council Meeting Hall, the Proceedings book, the Notice Board for posting the notice copy as required by Law

I have therefore taken action to issue the said Meeting Notice myself and its service by my own peon, to use the Vice-President's office as the meeting place of the meeting, to use if necessary plain paper for recording the proceedings.

I will report the result of the proceedings after the meeting takes place on 23/11/53 to you.

Meanwhile I consider it highly irregular on the part of the President and the Commissioner to have not complied with the statutory period and even so illegal as to merit the severest action by the Government.

I however request you kindly to instruct the Commissioner to allow all the required facilities for holding the said meeting and not to abide by the illegal instructions of the President

Yours faithfully,

Dear Sirs,

I am in receipt of your requisition dated 26-10-53, to convene another Special General Meeting to take the opinion of the Council on the Resolution already passed on 28-9-1953 expressing want of confidence in the President.

This is presumably under Section 27 (2) of the Mysore City Municipalities Act asking me to fix the date of the meeting on 31st October, 1953 In this connection, I should like to invite your reference to your previous requisition dated 13th Sept, 1953, under causes (a) and (b) of sub-section 10 of Section 23 of the Mysore City Municipalities Act in sonsonance of which a Special General Meeting was convened specially for this purpose and votes taken.

When there is a specific provision of law relating to any specific issue, it is obligatory that that provision alone should be followed Such a compliance is mandatory under the provisions of the Mysore City Municipalities Act Under these provisions, the Municipal President is bould to call a Special General Meeting "within an interval of not less than one month and not more than "four months from each other" . In the face of such a clear enunciation of law, your requisition under Section 27(2) to call for a special general meeting for the purpose in question for a second time cannot be stretched to bring it within the purview of Section 23(10) (b) which vests the discretion with the President I have taken note of your earliest requisition dated 28-9-53, and shall call a meeting "within an interval of not less than one " month and not mo e than four months" from 28-9-53

Yours faithfully,

D O Draft)

Dear Shri Narasimhiengar,

Please refer to your letter of the 18th November 1953 I had the legal position examined. As far as I am aware, the facts are as follows - The first meeting in which an attempt was made to pass a vote of no-confidence on the President was held on the 28th September 1953 In that particular meeting, the motion was passed, 15 persons voting in favour of the resolution This obviously did not satisfy the conditions laid down in Section 23 (10 a) of the City Municipalities Act 1933 The resolution had been passed by a little more than one half of the whole number of Councillors, and they obviously wanted to take advantage of the provision of Clause 23 (10(b) For this purpose, they gave notice to convene a Special General Meeting ~~on 19th Oct 1953~~ on 31-10-53 The President appears to have felt that a meeting ~~can~~ could be convened by him during the period one month after the 28th September 1953 and before four months from that date last stated Government have been advised that this is not the correct view The idea is that a resolution expressing want of confidence should be passed in the manner prescribed in Section 23 (10 b) and a Special General Meeting convened for the purpose within an interval of not less than one month and not more than four months from each other The only section governing the convening of a Special General Meeting is Section 27 (2) of the Act This is mandatory and has to be scrupulously followed When a notice of a Special General Meeting is given, the President shall call for a meeting within 15 days after the presentation of the request So in the present case, when a notice was given on ~~19th Oct 1953~~ 26-10-53, a meeting should have been convened by the President ~~before~~ on or before 31-11-53 3rd November 1953 When he failed to do so, the Vice-

ted 19/X/53, and sent it on 26/X/53 with a request

on any date

or before 10-11-53

the Vice President or one-third of the whole number of Councillors may call for such a meeting on a day not more than thirty days after the presentation of such a request This would mean that they could have called for a meeting on any date after 3rd November 1953 and before 18th November 1953. The latter date has passed and so in the present case, they cannot do anything now

So far as your duties as Commissioner are concerned, it would have to be strictly in accordance with the law If the President fails to call for a Special General Meeting in any particular case as laid down in Section 27 (2), and if the Vice President or one-third of the whole number of Councillors wish to call for a meeting within thirty days of the presentation of such a request, it would be necessary for you to provide the facilities to hold the meeting I hope the point is sufficiently clear

Yours sincerely.

Dear Sirs,

I am in receipt of your requisition dated 26-10-1953 to convene another Special General Meeting to take the opinion of the Council on the Resolution already passed on 28-9-1953 expressing want of confidence in the President.

This is presumably under Section 27(2) of the Mysore City Municipalities Act asking me to fix the date of the meeting on 31st October 1953. In this connection, I should like to invite your reference to your previous requisition dated 13th Sept 1953 under dauses (a) and (b) of sub-section 10 of Section 23 of the Mysore City Municipalities Act in consonance of which a Special General Meeting was convened specially for this purpose and votes taken.

When there is a specific provision of law relating to any specific issue, it is obligatory that that provision alone should be followed. My dear Sir,

In continuation of my letter No H C 100/52-54, dated 8th instant, I submit herewith for your kind information copy of a letter dated the 16th instant received from the Vice-President, Davangere City Municipality, in person at 1 p m. today along with the Municipal Councillors Sriyuts I Doddaveerappa and B T Somanna enclosing therewith a special general meeting Notice to be served on all members of the Municipal Council immediately, under Section 27(2) of the Mysore City Municipalities Act and requesting to arrange for the meeting in the place and at the time in the meeting hall and for duly publishing a copy of the Notice in the Notice Board These were shown to the President immediately The Vice-President and the two Municipal Councillors were informed by me orally that the Municipal Commissioner by himself cannot convene meetings under the Statute and that they may notify the President in the matter

Again at 2-30 p m today, the Vice President and the Municipal Councillors Sriyuts K Veerabhadrappa, B T Somanna and I Doddaveerappa came to my office and presented another letter a copy of which is submitted for your kind information

As you are kindly aware, the President in reply to a requisition dated 26th October 1953 from the 16 Municipal Councillors stated on the 8th instant that Section 27(2) applied only to convening of special general meetings and does not apply to meetings specially convened for expressing for a second time want of confidence in the President which is governed under clauses (a) and (b) of sub section 10 of Section 23 In my opinion the reply issued by the President seems to be in conformity with the provisions of law as contemplated under Section 23 When I showed all these communications to the President, he tells me that he has nothing more to add to the reply he has already sent them on the 8th instant The President has just sent me the Enclosed reply to these letters of today. In these circumstances, I solicit kind instructions of Government in the matter of complying with the requests of the Vice President.

Dear Sir,

With reference to your letter dated 18th November 1953 H C 100/53-54, enclosing letters addressed to you by the Vice President, raising certain issues contained therein, I am not a little surprised to be told that that I have failed to call a special general meeting on a requisition sent by some members and therefore the Vice-President has taken the initiative of convening of such a meeting on my failure to do so under section 27 sub section 2 of the Mysore City Municipal Act At no time has such a requisition been made under section 27(2) of the Municipal Act But a requisition purporting to be under Section 23(10) was submitted to record their vote of No-Confidence in the President on 13-9-1953 Accordingly I called a Meeting on 28-9-1953 for that purpose and their vote was recorded As the Section contemplates clearly, another meeting specially called for this purpose has to be convened within the prescribed period under that section(b) within four months from the date of previous resolution

In the meanwhile other requisitions were sent which were conflicting with each other and I issued an endorsement to the parties on the 8th instant informing them that I have taken notice of the matter and a meeting contemplated to record a second vote would be called as required by Section 23(10) Such being the case, it is extraordinary that the Vice President should have thought it fit to approach the Commissioner with a petition today asking for facilities to hold the meetings in the Council Hall on 23-11-1953 and that he desires to have the minutes book etc for conducting his meeting

This procedure is unwarranted and illegal and as there has been no failure on the part of the President under Section 27(2) I decide that the whole proceedings contemplated by the Vice-President is out of order and that no facilities asked for by the Vice President could be afforded.

Yours faithfully,
